Claiming Prizes
If you qualify for a prize, someone from Kaggle will reach out to you shortly with next steps to claim it.

Consider Sharing Your Solution
The creative, state-of-the-art insights you helped generate will be invaluable to Kaggle and the broader data science community. Consider sharing the methodology your team used in the competition.

How to share your insights:

- <u>Publish your approach</u> in the discussion forums
- <u>Link your solution write-up</u> so that others can find it on the leaderboard
- Consider <u>publishing your artifacts</u> as Kaggle Models or Notebooks

<u>Learn more</u> about sharing solutions on Kaggle.

Congratulations on your achievement!
